The most I can pay you for the above coins is \$4,070.00. I am not interested in the few pieces which were sent in this package, as they are too low grade and priced too high.

Please advise as soon as possible, as the client is awaiting your reply. As soon as we settle up on this lot, let's work on another and I would appreciate it if you would keep your prices down, as we are not interested in paying above retail.

I know we'll do a lot of business, as the client wants to complete his run of all gold coins.

Yours very truly,

Larry Goldberg

Dear Stan:

With reference to the \$20.00 gold pieces you sent to me on 10-20-67, I had offered you in my letter \$1,285.00 for the lot which I felt was a very fair offer. You originally wanted \$1,505.00, less 5%, which comes to \$1,429.75.

I can sell these coins to one of my clients but, at your prices, I could not come out. The most I can possibly pay you for the lot is \$1,350.00. If you accept this price, I can send you a check for that amount.

Please advise as soon as possible.

Sincerely yours,

Larry Goldberg

Dear Stan:

Please send to me on approval the 1860-D \$1.00 gold. I am also in need of a proof type 3 gold dollar, a nice proof.

Also do you have a high grade type 2 in C-D-O-S mints gold dollars that I can get a good break off the catalogue. The same holds true for the type 3.

I also see in your letter that you have some early gold. Do you have a good buy on a 1796 quarter eagle. Also please send to me the 1831 and 1833 quarter eagles in the best price. Do you have a 1795 one-half eagle and eagle.

In \$3.00 gold pieces do you have a "O" mint or "S" mint in EF or better at a good break off catalogue. Please advise what you have available.

Very truly yours,

*Ira M. Goldberg*
